Leonard Mezner, President of Student Council, makes the presentation. Left to right: D Oakley (seated), L. Mezner, L. Williams, Mary F. Rudd; Mrs. Rudd, President Rudd.

In appreciation of over eighteen years of untiring and devoted service to Bryan University, the Bryan Family presented President Judson A. Rudd with a Telechron electric mantel clock. Mrs. Rudd was presented with a box of red roses in recognition of her faithful assistance to the president.

Rev. J. B. Thornton of St. Louis, a friend of the president and a member of the Board of Trustees for many years, delivered a message on Psalm 40, in which he demonstrated the manner in which God delivers Christians from the pit of trying experiences. He applied this particularly to the hard places Dr. Rudd had undergone during his many years at Bryan. During the service, several of the president’s favorite hymns were sung. Members of the Board of Trustees and friends from Dayton were present.

DEAN’S LIST

Dean’s List honors for the Fall quarter have gone to four students, a place on the list requiring a quarterly average of not less than 2.5. Heading the list is Donald Oakley, of Mishawaka, Indiana, with an average of 2.676. He is closely followed by Ian Hay, of Dayton, Tennessee, with 2.666. Both are members of the senior class, and both have recently been elected to membership in Who’s Who Among Students in American Universities and Colleges.

The remaining two Dean’s List winners are members of the freshman class: Howard Addleman, of Curwensville, Pennsylvania, with an average of 2.562, and Janice Brown, of Randolph, New York, whose average was 2.500.

The Honor List, which includes those on the Dean’s List, is made up of those students whose standing has placed them in the top 10% of the entire student body. The list includes the following: Paul Wyland, Ernest Lee Letter Farrington, Harold Goering, Carl Wenderoth, Glen Schwenk, Charles Kirtley, Lamar Modett, Warren Purdy, Thelma Andrews, Charles Riley, Janet Norcely, Charles Taber Anderle Costley, Jacqueline Oakley, Dean Koontz, and Richard McIntosh.

To the many who sent gifts of Frankincense, Myrrh, and Gold and in that way shared in the Gifts for the King Service held last month, we would like to extend our sincere thanks. May the Lord bless you greatly as you have in these gifts manifested your love for Him.

Though it would not be possible, for the paper would not begin to have space sufficient for all, to include in this issue all the expressions of interest in and love for His work on Bryan Hill, we do want to share with our readers some of our “gifts,” trusting the Lord will encourage their hearts as He has ours through their ministry.

Though I have been unable to make a gift of money for some months, I have not forgotten to pray for the school and the work there.

Missionary Leaves

Helen Gow, alumnus of the class of '48, sailed for Belgium January 5, to begin the course of study required by the Belgian government prior to missionary work in the Congo. She will be associated with the Berean Mission with headquarters in St. Louis.

Newseattle and the Bryan University Family rejoice with Helen in her final departure, after many months of waiting, and our prayers go with her as she takes up her work for the Lord in foreign fields.

"Thanks be unto God for His unspeakable gift," II Cor. 9:15.

I do not want to miss this opportunity to add my voice with those at Bryan in praise to God for giving to us the wonderful gift of His Son, and through Him manifold blessings here, and eternal life here and hereafter.

I praise God for a school which stands true to the Word, a place where young people can prepare for His service. Yours, loving His appearing.

I am happy in the Service of the King. He has and is doing great things for us, whereof we are glad. I do praise Him for leading me into His great vineyard, to labor for our Lord.

Many of us here would like to attend Gifts for King service. We are very grateful for copies of Newsheets you send us and thank you. May God’s richest blessings abide always and forever upon the work is our constant prayer.

New Jersey

May the Lord bless you and guide you in your wonderful work.

On Bryan Hill is a town complete with mayor, councilmen, and fire department. Founded four years ago to accommodate GI students and their families, Vetville is composed of thirty-one trailers.

Of this number, twelve living units plus a shower trailer are a gift of the Public Housing Administration, and a fourteenth was given by Prof. L. J. Dixon of the faculty. The rest are owned by students. The city on wheels, situated behind the administration building, affords a very scenic view of Lake Chickamauga and the surrounding countryside. Each trailer has its own water supply and drainage system.

An election is held each year for town officials. Elected mayor for the ’49-’50 school year is Lester Farrington, a senior at Bryan. Edward Greenwood and Edwin Cockrell were installed as councilmen for the same term.

For many years the Lord Jesus Christ has been my Lord and Saviour and I rejoice that I am His forever. "All things were made by Him and for Him." Col. 1:16.

New York

You are daily in our thoughts and prayers. We rejoice with you in the progress that is being made.

Remember hearing your group sing and testify.

For the past several years I have received the Newsheets and other Bryan literature. My position in life has not permitted me to give them the attention they deserve, but I pray that they have reached all for whom they were made known. I want to express my appreciation for the wonderful gift you made of Bryan University town several years, I appreciate your letting me know about your school. The time is short.

I am a shut-in. Can’t take one step, but you are on my prayer list and Bryan is on my heart.

Tennessee

I pray the Lord continues to bless you in your great work.

A BETTER BIBLE?

The Bible is either the Word of God or the work of man. Those who regard it as a man-made book should be challenged to put their theory to the test. If man made the Bible, he is, unless he has degenerated, able to make as good a book today.

Judged by human standards, man is far better prepared to write a Bible now than he was when our Bible was written. The characters whose words and deeds are recorded in the Bible were members of a single race; they lived among the hills of Palestine in a territory scarcely larger than one of our counties. They did not have printing presses and they lacked the learning of the schools; they had no great libraries to consult, no steamships to carry them around the world and make them acquainted with the various centers of ancient civilization they had no telegraph wires to bring the news from the ends of the earth, and no newspapers to spread before them each morning the doings of the day before. Science had not unlocked nature's door and revealed the secrets of rocks below and stars above. From what a scantily supplied storehouse of knowledge they had to draw, compared with the unlimited wealth of information at man's command today! And yet these Bible characters grappled with every problem that confronts mankind, from the creation of the world to eternal life beyond the tomb. They gave us a diagram of man's existence from the cradle to the grave, and set up warning signs at every dangerous point.

Let the atheists and the materialists produce a better Bible than ours, if they can. Let them collect the best intelligence in a book and offer it to the world as a substitute for this Bible of ours.

STUDENTS DO PRACTICAL WORK

Bryan students are engaged in various types of practical Christian work such as holding jail services, leading chapel services in public schools, preaching as country churches and street meetings, and teaching child evangelism classes.

Seven young men serve as pastors in nearby country churches. Chapel services conducted in sixteen public schools by 72 students reach over 12,500 children weekly, and 40 students contact 200 more children through child evangelism classes. In the city jail, two services are held each week-end.

Students who have been holding street meetings throughout the area have worked in Spring City, Graysville, Pikeville, Rockwood, Morgantown, Soddy, Daisy, and Crossville so far this year.—D.M.

ECHOES FROM FORMER STUDENTS AND GRADUATES

Florida

"...but first gave their own selves to the Lord." II Cor. 8:15. We give gifts this day. We give to Him whose birthday we celebrate. We give ourselves to Him. This we do in simple faith and with earnest desire. Having done this, we have also thought of bringing someone else to Jesus. Thus we give Him the best gifts in our power—ourselves and others.

I John 4:4 can mean much to you, particularly after you have left Bryan and its wonderful Christian atmosphere. It has been a great help to me at the office where, during the Christmas rush period, I was occasionally flare and the spirit of Christmas was pushed aside while the Christmas business is made to seem all important.

Indiana

I want to express something of what the Lord has made Bryan mean to me. He has drawn me closer to Him and shown me what my service for Him should be. I will never be able to express the joy in my being from attending there for two short years. Some very lasting impressions were made on me for which I praise His Name. My thanks are due to Him and to a God-fearing and God-obeying faculty and student body for this all.

No one knows what Bryan means to me. My recent visit gave it some more meaning. May God bless each of you as you worship our wonderful Saviour and King and also as many of you will be traveling soon to loved ones and friends. My prayer is that the Lord will give you your goal and that He will there train many for His service.

New Jersey

As I look back over my four years at Bryan, I know what made the hard places easy—the wonderful love of our Lord, and the love of God manifesting itself through each student and staff and faculty member. Love can do more than anything else.

Pennsylvania

At this time of giving of gifts may we remember God's perfect Gift to us and praise Him continually for Him. The scripture verses that constitute my answer to the teaching of young people in a Christian institution. God always blesses His work!

He it is that doth go before thee; He will be with thee, He will not fail thee neither forsake thee, Fear not, neither be dismayed. Deut. 31:8.

My interest in Bryan University stems from the gratitude that I have in my heart toward God for raising up Bryan. I spent last year in a modernistic university in New Brunswick and almost had my soul suffocated on evolution and modernistic philosophy. By God's help and grace, I made my "break" in March and later the Lord led me down here to attend this Christian school. With my background, you can understand that I have no patience with the petty criticisms one hears that the teaching at a Christian school against another. I praise God for the testimony of Bryan University. God bless you and guide you by His Holy Spirit as you prepare for a great year ahead.
New York
It is a blessed privilege to send our "Gifts for the King." We appreciate being able to share in the life and growth of Bryan.

Ohio
May our Saviour continue to prepare and use the young people who place themselves in the care of Bryan University.

THE PRAYER CLOSET
Praise ye the Lord: for it is good to sing praises unto our God, for it is pleasant; and praise is comely.

Beginning with the first of June, salaries have been paid in full through December. The $1,000.00 gift which came from an un-named donor and was designated for salaries was a definite answer to prayer, confirming the decision to increase payments from 90% to 100% and encouraging us for the future.

Reinforcing and steel joists were ordered on faith. God answered our prayers through our friends in Rhea County, who have paid the $4,685.63 invoice in full. $1,685 since Jan. 1.

As we think and pray for material things let us remember the ultimate objectives and that we wrestle not against flesh and blood.

SPECIAL GIFTS RECEIVED
A $1,000.00 check sent by the Immanuel Baptist Church of Wilmington, Delaware, in behalf of an un-named donor and designated for salaries helped to make the December gift income the largest since last April, when a $10,000.00 bequest was received. Undesignated gift income was more than sufficient to bring us up to date on the $3,000.00 gifts needed monthly for operation. As a result of the $1,000.00 gift designated for salaries, the balance of gift income left in the Operating Fund stands at $220,000.00, rather than at $21,000.00, through December.

Friends in Rhea County, through Dr. F. R. Rogers, Treasurer, paid $3,000.00 on the bill for reinforcing steel. This, plus other gifts, more than doubled the amount for the Building Fund received since the beginning of the fiscal year on June 1st. Truly we have cause for rejoicing and thanksgiving.

Total Gifts for December: $9,580.48

(Subtract $2.00 error in November)

Grand Total (7 months): $29,918.95

An unusual gift was made as part of the Gift-to-the-King Service when the Misses Virginia and Connie Wyckoff, nieces of Mrs. Volney P. Kinne, formerly of Buffalo, N. Y., gave to the University a part of Mrs. Kinne's personal library. Numbering approximately 200 volumes, the books included many of value as reference material for the new Christian Education major.

Mrs. Kinne was during her lifetime very active as a children's worker and as a teacher of Bible in the Chattanooga schools.
